Submitted Product Inquiries

Search products...

Submitted Date	Product Name	Description	Image	Status
2025-04-13 14:17:35	Streetlight LED Fixture for Highway Lighting	High-intensity LED fixture designed for street and highway lighting applications.		Pending

4. Click Approved Products tab to see the approved product inquiries. Check the Approved Category to get the correct product category that the product belongs to.

5. To submit a new product inquiry, click the New Product tab.

6. Enter the Product Name, Description in the relevant fields and upload a picture of the product. Then click Submit.

7. Once submitted, you will see a green notification “Product submitted successfully”.

The screenshot shows the ECOMATCH AI portal interface. At the top, there is a navigation bar with links: "New Product", "Submitted Products", and "Approved Products". The user is logged in as "user1@test.com" and can click the "Logout" button. A green notification banner at the top states "Product submitted successfully!". Below this, the section is titled "Submitted Product Inquiries". There is a search bar labeled "Search products...". A table lists the submitted products:

Submitted Date ↓	Product Name	Description	Image	Status
2025-04-13 14:30:10	Philips 13W Spiral CFL Bulb	Compact fluorescent bulb offering efficient lighting with versatile connection and power options.		Pending
2025-04-13 14:17:35	Streetlight LED Fixture for Highway Lighting	High-intensity LED fixture designed for street and highway lighting applications.		Pending

8. To log out from the portal, click Logout button.

This screenshot is identical to the previous one, but with a red arrow pointing to the "Logout" button in the top right corner of the navigation bar.

9. Once logged out, it will redirect you to the Login page.

The screenshot shows the ECOMATCH AI Login page. At the top, there is a light blue notification banner that says "You have been logged out". Below this, the section is titled "Login". There are two input fields: "Email" and "Password". A blue "Login" button is positioned below the password field.

As the PCA Administrator

1. Enter your admin credentials on the Login page and click Login.
